Senior Living

The Phoenix at Madison

The Bluffs at Greystone

The Phoenix at James Creek

Nothing is more important to EDT than the care, comfort and security of our senior citizens. We have a long history and extensive experience in the development and the design/construction of safe and affordable housing options for our seniors. Our work in this sector includes much care and thought given to providing warm, comfortable and safe homes, with the ability to easily personalize surroundings with favorite furniture and appointments. EDT has also partnered with several developers and operators to provide Senior Living experiences that include Independent Living, Skilled Nursing, Memory Care, Alzheimer Units and short-term rehabilitative care options. Select experience includes:

- The Phoenix at James Creek, Senior Living Facility | Cumming, GA
- The Bluffs at Greystone, Senior Living Facility | Birmingham, Shelby County, AL
- The Phoenix at Union Hill Senior Living Facility | Canton, Cherokee County, GA
- The Phoenix at Madison, Senior Living Facility | Fort Rucker, GA
