

# Abernathy Arts Center

## Fulton County, Georgia

---

<b>Client</b>	Fulton County
<b>Scope</b>	Design/Build
<b>Contract Value</b>	\$765,000

---

Engineering Design Technologies, Inc. (EDT) provided complete design/build professional services for the Abernathy Arts Center located in Sandy Springs. The one-story facility consists of approximately 4,000 square feet and houses a kitchen, administration office, exhibit hall, interior and exterior restrooms and an exterior patio. EDT exceeded our client’s expectations by delivering a project that provided the end user needs in addition to adhering to local, state, and federal ADA regulations and requirements.
