

KEY PERSONNEL BIO

Hassan Anvari, P.E.

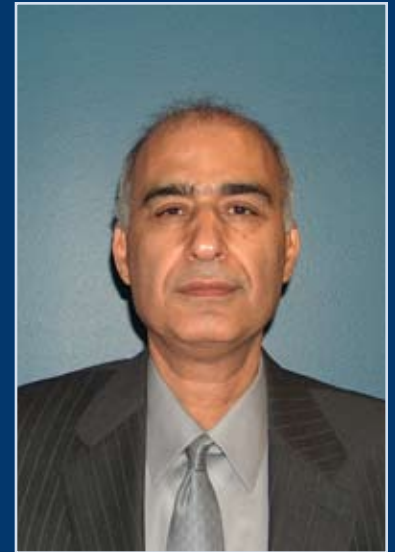

ENGINEERING | CONSTRUCTION | DEVELOPMENT | INVESTMENT |
MANAGEMENT | REAL ESTATE

Education

Bachelor of Science, Civil Engineering, University of Florida

Registrations

Registered Professional Structural Engineer: Georgia

Director of Construction

As the Director of Construction, Hassan Anvari ensures that all commitments are met for design/build and construction projects. His pragmatic approach to cost control and adherence to construction documents benefits the company particularly in the federal arena.

Mr. Anvari acquired in-depth knowledge for a variety of facility types through his decades of experience in the design and construction industry. He has been involved in the construction, design and management of a variety of facility types including high-rise, healthcare, airport, library, educational, institutional, sports, retail and industrial facilities.

Mr. Anvari earned his Bachelor of Science in Civil Engineering from the University of Florida and is a registered structural engineer in Georgia. He joined Engineering Design Technologies in 1997 as a Principal in the Construction Group.
