## Vice President Director of Business Development

Mr. Givens oversees the Business Development and Marketing efforts for Engineering Design Technologies. He earned his Bachelor Degree in Civil Engineering from Memphis State University in 1993, and is a registered Professional Engineer in Georgia and Tennessee. Mr. Givens also serves as Services Coordinator for key projects with the City of Atlanta. Living and working in the Atlanta area, he has gained invaluable experience in various aspects of transportation, land development, and water and wastewater projects. His design experience includes interstates, urban streets, rural highways, transit stations, and land development projects. His managerial experience includes team building, project management, contract negotiation, conflict resolution, scheduling, and budgeting. Mr. Givens is also very active in the community, volunteering his time with his local Rotary Club and serving on Clayton County's Water Authority and Solid Waste Management Boards.
