

# Whole Barracks Renewal Battalion Headquarters Ft. Bragg, North Carolina

<b>Client</b>	USACE, Savannah District 100 West Oglethorpe Avenue Savannah, GA 30401 Kenneth Gray, Area Engineer kenneth.gray@usace.army.mil
<b>Scope</b>	Design/Build Services 18,100 sf.
<b>Contract Value</b>	\$4,090,127
<b>Contract Duration</b>	540 Days
<b>Project Status</b>	100% Design – December 2009 10% Construction – December 2009

The scope of this project is to provide all site design and construction within the HQ limits of construction necessary to support the new building facilities. The project will include one (1) large, stand alone battalion headquarters building of 18,100 gross square feet. Supporting facilities include, but are not limited to utilities, electrical service, exterior and security lighting, fire protection and alarm systems, security fencing and gates, water, gas, sewer, storm drainage and site improvements. Antiterrorism/Force Protection measures shall also be included in the facility design in accordance with applicable criteria.

Construction on this building will include upgrades to exterior finishes such as the brick to blend in with the current 3d Brigade Combat Team Complex on Fort Bragg. Also to upgrade finishes in the conference rooms and classrooms as well as upgrading landscaping. Any landscaping must be low maintenance, enhance vehicle denial to the BN HQ and be approved by Fort Bragg. EDT also must provide trophy cases inside the Battalion Headquarters.

This project falls under 8(a) MATOC Request for Proposal for Task Order, W912HN-07-X-9402  
Project Number 58489.
