ENGINEERING | CONSTRUCTION | DEVELOPMENT | INVESTMENT |
MANAGEMENT | REAL ESTATE

Education

Bachelor of Science, Civil Engineering, University of Alabama

Registrations

Registered Professional Engineer: Georgia, Alabama
Level II Erosion Control Certified Design Professional

Senior Project Manager

A graduate of the University of Alabama and registered as a Licensed Professional Engineer in Alabama and Georgia, Mr. Robertson has extensive experience in the areas of Civil and Transportation engineering. He is also certified as a Level II Erosion Control Certified Design Professional. Mr. Robertson is involved in many aspects of transportation including roadway planning and design, traffic studies, bridge design, roadway hydrology and hydraulics, erosion and sediment control measures, construction inspection and utility relocation. Additionally, he is involved in various civil projects ranging from subdivision design to commercial developments.

A key member of the EDT team since 2005, Mr. Robertson is involved in the day to day operations of the Birmingham office where he manages and oversees the production and quality of engineering and construction management. He works to maintain and strengthen existing client relationships and develops relationships with new clients.
