Dear Business Owner:

Congratulations! The Governor's Office of Diversity Business Enterprise is pleased to inform you that **Engineering Design Technologies Inc** has been re-certified to be a **Minority Business Enterprise (MBE)** as defined in **T.C.A. 2-3-1102 et. seq.**

Your certification is valid for a period of three (3) years expiring on **July 22, 2027**. This letter will serve as proof of your continued certification with the Governor's Office of Diversity Business Enterprise. Your certificate will remain active and in good standing as long as you update by renewal at each interval within the appropriate timeframe. Your firm will be included in the Certified Directory which is published on our website.

Certification Renewal:

To renew your certification with the Governor's Office of Diversity Business Enterprise, business owners must complete a re-certification application located on the TN Diversity Software at <https://tn.diversitysoftware.com> not more than sixty (60) days prior to the expiration date of their original certification date.

A copy of your most recent federal tax return is required for all certification renewals. Failure to renew your certification within sixty (60) days of expiration will require your company to repeat the certification process in its entirety.

Changes in the business status:

Certified diversity businesses must notify the Governor's Office of Diversity Business Enterprise in writing within five (5) calendar days of any changes that affect the diversity status of the business including but not limited to ownership, management, officers, contact information, and any other change(s). Information must be provided in writing to our office within the time frame specified. Failure to notify this office of such changes may affect the status of your certification.
